Foremost Runners Will Go After Record Before Polo tch; Race at 2:30

Raring and polo will be the fea-ire at Kapiolani park Saturday aft-moon, and the program which has then outlined will be the final one of the senson. Polo has attracted more attention than ever before this season, and there is certain to be a large crowd out tomorrow to watch the Army and Kanal teams in action.

At 2:30 Satisfax and Greenta will make an attempt to break the track record for one mile. Oneonta held record for one mile. Oneonta held the record up to the last meet, when the Rock Sand mare ran through a field to a new record. Since that time Oneonta has been going well, and with Carroll up many of the racing followers believe that the Dillingham entry will set a new mark.

Denver, once almost the backbone the Weslern league as far as heavy to be receipted were concerned, is said to be turning in a heavy loss this season and it seems to be certain, according to report, that not a town on the circuit is making anything this year.

According to Hughey Jones, the man who bought James McGill's team in Jenver, the automobile is unqualified.

"Hundreds of baseball fans who penver to be in the grandstand with the best seats never come any more. it is admitted, however, that the Los Angeles club might be making more were it not for the automobile as far as its Sunday attendance is concerned. According to the league officials; Sunday is a great day in the Southland for the owners of cars to go out for a day's touring.

The ambulance men broke the ice, or rather the cash register, for three runs in the lucky fifth, when a base on balls made Byers a gift of first, an error by Huston let him hug third, and an attempt to stop a steal which Robertson stole let Byers buy out at the rubber; then Hackett whiffed and an error by Fisher let in Robertson. and a couple of scrimmages scored Lambert on a funny stunt at the home plate on a bad umpirical decision.
